

Brockton Redevelopment Authority Housing Rehabilitation Program

Pre- Application

The Brockton Redevelopment Authority has been funded by the U. S. Department of Housing and Urban Development to administer a housing rehabilitation program. The program will provide financial assistance to owner occupied single family or owner occupied two family low income homeowners to perform necessary home repairs and improvements. Typical projects include roof replacements, insulation, heating systems, electrical repairs, window repair and/or replacements, lead paint removal, and general carpentry. If you think you might be interested in such a program and you are a Brockton property owner, please complete this questionnaire. You will be placed on a list of potential property owners to receive assistance. All information is confidential.

Please complete this form and return it to the Brockton Redevelopment Authority, 50 School Street, Brockton, MA 02301.
