

**NeighborWorks Southern Mass** has been a part of the South Shore and Southeastern Massachusetts community for 36 years. With the help of our friends and partners, we build homes for families, veterans, and individuals with special needs; we educate future homeowners and community leaders; and turn vacant lots into warm and safe places to call home. Through our partnerships with residents, businesses and local government, NeighborWorks is able to continue our mission year after year to build stronger communities.

COCKTAILS AT 6PM

DINNER & PROGRAM AT 7PM

This year, we will be recognizing **Michael Fish, President and CEO of Dellbrook|JKS, as the recipient of our "Good Neighbor Award."** Our Board of Directors selected Mr. Fish because of his unwavering commitment to building stronger communities, his innovative leadership with Dellbrook|JKS, and his personal commitment to so many worthwhile local projects. His dedication and generosity strengthen the social fabric of each community he works with.

RSVP BY NOVEMBER 28, 2017
