IMPORTANT NOTICE

In an abundance of caution and in response to current events, we would like you to take the time to read this important notice.

Beginning on March 12, 2020, all office locations including Kingston will temporarily suspend public office hours. All of the programs offered at NeighborWorks Housing Solutions will remain accessible to the public via **mail, phone, fax, and email**.

Please contact your counselor for previously scheduled appointments and be sure to check our calendar of events for any cancellation of workshops.

If your household experiences a change of income or family composition, please contact your designated Program Representative. We have included the Program Representative's contact information by town.

If you are in the process of moving or recertifying, we ask you to maintain communication with your current Program Representative to make all these processes seamless and to avoid disruptions.

If you are not experiencing any changes in your household and you are not in the process of moving or recertifying, no action is required.

We appreciate your attention to this notice.
